

# **NOTICE OF AVAILABILITY SWEET GRASS COUNTY MULTI-HAZARD MITIGATION PLAN - 2021 UPDATE FOR PUBLIC REVIEW**

This is a required update of the County's Hazard Mitigation Plan which will allow Sweet Grass County to remain eligible for federal disaster funds for mitigation projects to protect public infrastructure and the public from natural and man-made hazards

This Plan outlines a mitigation strategy for reducing losses from flooding, wildfire, severe weather, drought, communicable disease, hazardous material incidents, transportation accidents, landslide, dam failure, terrorism, violence, civil unrest, and cyber security.

A video-conference public meeting will be held to review the Hazard Mitigation Plan:

**Thursday, October 7th at 10 am**

**Anyone may call into the meeting conference line at 1-406-247-0698**

**Phone Conference ID: 534 808 228#**

The draft Sweet Grass County Multi-Hazard Mitigation Plan is posted on the project website at:  
[www.MTmitigation.com](http://www.MTmitigation.com) / select: Sweet Grass County / password: Big Timber / select: Draft Plan

Hard copies of the Plan are available for review at the Sweet Grass County DES office and Big Timber City office.
