

Office of the County Commissioners

*William Wallace
J.V. Moody
Melanie Roe*

Sweet Grass County Residents:

- The Sweet Grass County Commissioners have signed a Declaration of Emergency for Sweet Grass County.
- We have established a Unified Public Health Command to ensure we have the most accurate, up to date information.
- We can't emphasize enough, the importance of practicing Social Distancing.
- We are working in conjunction with our private establishment owners in implementing a "Soft Closure" of bars and restaurants. The establishment owners have agreed to implement strategies to practice social distancing. We have talked about limited seating space, curfew times for closures, take out meal opportunities and cleaning/disinfecting procedures.
- New information will be posted on the Sweet Grass County websites and community Facebook pages.

The Commissioners of Sweet Grass County are making preemptive decisions based on the information we have been provided. We would rather overreact now than wish we would have later.

If you any questions, feel free to call our office at 406-932-5152 or email us at sgcommish@itstriangle.com.
